

This exploded view diagram illustrates the assembly of a mechanical component, likely a pump or motor. The parts are numbered 1 through 31. The assembly is shown in two main sections, separated by a dashed line. The top section shows the main body (3) with a flange (25) and a central shaft (22) passing through a series of gears (15, 22, 6, 7, 19, 13, 14, 21, 20, 12). A cover (28) is shown at the top, secured by a bolt (27) and a nut (26). A small component (8) is shown near the shaft. The bottom section shows a separate component (4) with a flange (18) and a central shaft (5) passing through a series of gears (18, 17, 18, 16, 5, 19, 11). A cover (29) is shown at the bottom, secured by a bolt (30) and a nut (31). A small component (2B) is shown near the shaft. The diagram is labeled with the number 7055 in the bottom right corner.
